FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

## Field & Stream

Established in 1911, The Rotarian is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about, or of interest to, Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners – from Mahatma Ghandi to Kurt Vonnegut Jr. – have written for the magazine.

Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

Old-House Journal is the original magazine devoted to restoring and preserving old houses. For more than 35 years, our mission has been to help old-house owners repair, restore, update, and decorate buildings of every age and architectural style. Each issue explores hands-on restoration techniques, practical architectural guidelines, historical

overviews, and homeowner stories--all in a trusted, authoritative voice.

The magazine that helps career moms balance their personal and professional lives.

This resource offers research-based tips and lists of songs that can enhance cognition, improve memory, energize sluggish learners, and make lessons fun for students of all ages.

Provides business profiles, hiring and workplace culture information at more than 40 top employers including such businesses as Microsoft.

Popular Science gives our readers the information and tools to improve their technology and their world.

The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.
