THIS BOOK (7X10 PAPERBACK) CONTAINS 14PT FONT FOR EASIER READING. (THE AVERAGE BIBLE CONTAINS 6PT FONT LETTERING.) The Gospel According to John is one of the four canonical gospels in the New Testament. It traditionally appears fourth, after the synoptic gospels of Matthew, Mark, and Luke. John begins with the witness and affirmation of John the Baptist and concludes with the death, burial, resurrection, and post-resurrection appearances of Jesus.

"Mere Christianity and Moral Christianity" defends the biblical doctrine of unconditional security by demonstrating that perseverance in faith cannot be made a condition for reaching heaven without teaching salvation by works. An extended prologue and introduction prepare the reader for the more advanced material in the body of the book by sharing personal examples regarding the urgent need of such a book to counteract the prevalent legalism typically encountered within the church and within popular evangelism. The first chapter interacts with C. S. Lewis. Positive interaction with his philosophical defense of Christianity and Jesus' Deity is followed by critical discussion of his Arminian views regarding conditional security. The second chapter explores a related Reformed perspective from Jonathan Edwards. A parallel perspective within Catholicism regarding merit by Thomas Aquinas is explained. The third chapter interacts with contemporary Arminian and Calvinistic authors. Appendix one shows that the *ordo apostasia* that would be necessary for the loss of the gift of eternal life is biblically impossible. The objection that moral performance is merely necessary evidence rather than a condition for the retention of eternal life is evaluated and rejected in appendix two. Appendix three demonstrates that moral repentance necessarily entails merit and therefore cannot be a condition for entrance into heaven. Appendix four locates moral repentance within the gospel of the kingdom, which is a substratum of the gospel of Jesus. The gospel of grace, which is the aspect upon which one's security from eternal damnation is solely conditioned, does not contain a call for repentance as a theological condition for such salvation. Benefits of this book to the reader include providing a solid foundation for understanding how performance-related concepts such as repentance, commitment, and perseverance can play a positive role without being made a legalistic distraction.

Darrow, Clarence and William J. Bryan. *The World's Most Famous Court Trial. Tennessee Evolution Case. A Complete Stenographic Report of the Famous Court Test of the Anti-Evolution Act, at Dayton July 10 to 21, 1925, Including Speeches and Arguments of Attorneys.* Cincinnati: National Book Company, [1925]. [4], 339 pp. Reprinted 1997 by The Lawbook Exchange, Ltd. LCCN 97-38485. ISBN 1-886363-31-5. Cloth. \$75. * Complete transcript of the celebrated "monkey trial," the case of the State of Tennessee vs. John Thomas Scopes, a 24-year old high school teacher accused of violating a recently enacted state law that banned the teaching of Charles Darwin's theory of evolution. Perhaps the first modern media event, the trial attracted enormous national and international attention. A star-studded cast of trial attorneys included the great orator and three time Democratic presidential candidate William Jennings Bryan and the brilliant trial lawyer and champion of the downtrodden, Clarence Darrow, among others. The climax of the trial came on the seventh day when the defense put the senior Bryan on the stand as an expert on the Bible and he was ruthlessly interrogated by Darrow. As a milestone in the American struggle between modernity and the forces of Protestant fundamentalism, and a vivid manifestation of the clash between two valid principles, academic freedom and democratic control of the public schools, the Scopes case has tremendous historical significance. This edition also includes statements by scientists entered at the defense's

request, and the text of a lengthy concluding speech that Bryan prepared but never delivered.

THIS BOOK CONTAINS 14PT FONT FOR EASIER READING. (THE AVERAGE BIBLE CONTAINS 6PT FONT LETTERING.) The Gospel According to Mark, the second book of the New Testament, is one of the four canonical gospels and the three synoptic gospels. It tells of the ministry of Jesus from his baptism by John the Baptist to his death and burial and the discovery of the empty tomb - there is no genealogy or birth narrative, nor, in the original ending at chapter 16, any post-resurrection appearances. It portrays Jesus as an heroic man of action, an exorcist, a healer, and a miracle worker. Jesus is also the Son of God, but he keeps his identity secret, concealing it in parables so that even the disciples fail to understand. All this is in keeping with prophecy, which foretold the fate of the messiah as Suffering Servant. The gospel ends, in its original version, with the discovery of the empty tomb, a promise to meet again in Galilee, and an unheeded instruction to spread the good news of the resurrection.

Former FBI agent Gregor Demarkian must find the link between the bombing of an Armenian Orthodox church in a quiet Philadelphia neighborhood and the murder of a wealthy investment banker with reputed ties to a dangerous secret ruling elite.

Discover how devotion to the Sacred Heart can be revitalized in our day through a spirituality that is biblical, ecumenical, and oriented toward the contemporary world.

The New Testament teaches that ONE STEP of faith assures any person of eternal salvation. If you doubt this, then read all of the passages on this subject and decide for yourself. If you believe there are other necessary steps, then find them in these passages. ONE STEP lists verses from newly released: THE GRACE NEW TESTAMENT, on the single subject of salvation. This is obviously the ultimate issue from the life and teachings of Jesus Christ. Decide the means of salvation for yourself directly from biblical text.

What is necessary for eternal life? How are you born again? If a person can be saved; how? Can God help us with a mad, messy life? If saved, can someone lose their salvation? What is the difference between temporal deliverance and eternal salvation? Take ONE STEP, or not. Have you? Will you? Decide for yourself what the verses say to you about your eternal life and death: heaven or the lake of fire. Read these verses in prayer and humility for you, your family and people across the planet.
