Live your best life—even after your kids leave home When her children left for college, Melissa Shultz was certain that she had prepared them well for their new lives-but her own life was a different matter entirely. Her house was empty, her purpose unclear. If her life was no longer dominated by the day-to-day demands of being "Mom," then who exactly was she? And how would she ever move forward? From Mom to Me Again is the story of one woman's reinvention. Shultz's struggle with the empty nest and the transformation of her marriage, friendships, career, and ultimately herself, is part memoir and part self-help guide. Funny, poignant, and practical, this book tells Shultz's personal story and provides valuable advice for readers preparing to send their children off into the world. She shows women that while they'll always be mothers, it's time for them to take center stage in their own lives once again.

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

Little Critter stays with his grandparents for the weekend, where he does chores around the farm, helps his grandmother bake a pie, and visits the fair.

A heartwarming "tail" about adoption, diversity, and acceptance - a perfect storytime read this Mother's Day! Told from the point of view of a puppy who is adopted by a cat, this gentle and reassuring tale is perfect for very young readers and listeners. When the puppy comes to live with his new mom, he is nervous. After all, his mom has stripes and he doesn't. But his mom says she likes that they look different, and soon the puppy likes it, too. (And who cares what anyone else thinks!) The puppy's new mom does all the things other parents do. She plays with him, takes care of him, and sometimes even makes him mad! But that's okay, because when he's feeling sad, she knows just what to say. "A gentle, comforting story about nontraditional families."--Booklist

Formerly titled Colonial Madness, a mother-daughter duo take part in a bizarre family challenge in hopes of winning a fortune in this "light, fun read" (Booklist) that's Gilmore Girls meets The Westing Game! Tori Porter is best friends with her mom, and most of the time it's awesome. Not many girls have a mom who'd take them to a graveyard for hide-and-seek or fill the bathtub with ice cream for the world's biggest sundae. But as much as Tori loves having fun, she sometimes wishes her mom would act a little more her age. Like now. Thanks to her mom's poor financial planning, they are in danger of losing their business and their home. But an unusual opportunity arises in the form of a bizarre contest run by an eccentric relative: Whoever can survive two weeks in the Archibald Family's colonial manor will inherit the property. The catch? Contestants have to live as in colonial times: no modern conveniences, no outside help, and daily tests of their abilities to survive challenges of the time period. Tori thinks it's the perfect answer to their debt problems, but she and her mom aren't the only ones interested. The other family members seem to be much more prepared for the two weeks on the manor—and it doesn't help that Mom doesn't seem to be taking the contest seriously. Do they stand a chance?

The perfect gift to honor any mom, this mini edition of NYT bestselling author Greg Lang's classic, Why a Daughter Needs a Mom will be the perfect gift for a girl's most trusted friend.

I've heard it said that being a mom is like watching your heart walk around outside of your body. No matter how protective we are there are some things guaranteed to be out of our control. Yet, as mothers, we put on our brave faces and we set out to conquer and overcome whatever challenges motherhood throws our way. Twenty-One valiant moms have collaborated to share how they have pushed through and survived seemingly insurmountable obstacles. Being a mom isn't about being perfect. I promise you, there is no perfect mom on this earth. What you will see in the pages of this book is the strength, determination, and courage of these incredible mom's, told through the experiences they have endured along one of the most daring journeys we as women can ever attempt - Motherhood. This stunning mother and son journal is packed full of new shared activities with insightful questions, prompts, drawings, lists and lots of free writing space which is guaranteed to help you strengthen the bond between a mother and son.

A mother polar bear and her cub sleep, play, and eat together.

Kristin van Ogtrop knows she's lucky-fulfilling career, great husband, three healthy kids, and, depending on the hamster count, an impressive roster of pets. You could also say she's half-insane, but name one working mom who isn't. Using stories and insights from her own life, van Ogtrop offers a lexicon for working moms everywhere. Terms and concepts illustrate the highs (kids who know where their soccer cleats are,

coworkers who don't hit "Reply All," dogs who helpfully eat whatever falls from the table) and the lows (getting out of the house in the morning, getting along with everyone at the office, getting willful kids into bed) of balancing work and family. Filled with amusing and resonant observations, *Just Let Me Lie Down* establishes van Ogtrop as the Erma Bombeck of the new millennium.

Rhyming text describes a day of fun and adventure that a bear shares with his mother.

A book that draws mother and child closer together. *Mom and Me: An Art Journal to Share* is a full-color art journal for moms and kids to color and draw together. Designed to be a sharing experience, mom and child can write each other letters, draw what scares them, imagine what they want to be when they are grown up, color a scene using only one favorite color, and more. The journal is filled with fun hand-lettering and artwork from Bethany Robertson along with creative prompts from licensed art therapist Lacy Mucklow. It is intended to maximize quality time and conversation between mom and child - a way to communicate without interrogation, prodding, or all the other ineffective methods for learning about your child. It's for those moms who want to hear more about a child's day, what happened, how they felt, their thoughts, etc. Lacy Mucklow will offer up the best ways to communicate with a child through creating together: how to start an open conversation with your child, questions you can ask that will help generate thoughtful responses, and how to tailor the quality time so it's still fun and engaging for your child. This art journal has 50 full-color spreads to color, fill in, draw, and more. Each spread has a creative prompt or another exercise for mom and child to fill out together.

From quizzes and car games to recipes and story starters, this book is full of fun things for girls to do with their moms. They can tear out and share the notes and gift coupons. They can test their knowledge of each other with checklists made for two. And they can get to know each other even better with games and activities that are sure to leave them giggling.

Mothers and daughters have a special relationship. *Ruby Oaks' Mom & Me* is a wonderful way to deepen that bond through back-and-forth journaling. Take turns filling in the blanks and answering questions that range from light-hearted to deep (and everything in between) to keep honest communication open and get to know each other even better. With this each pass of this journal, you will: · Start discussions on everything from friends and school to fears and dreams · Learn both what you have in common and how you think differently · Create a safe space for sharing feelings and asking questions—just between the two of you With hundreds of creative prompts and a fun design, this journal will give you a new, low-pressure way to connect that you'll both treasure.

The perfect antidote to a chaotic world, *More Than Just Mum* will have you crying with laughter

A baby drinks juice, plays in the park, reads, and gets put to bed by her two loving mothers. On board pages.

Ever had your child wipe his nose on your clothes? Sometimes life as a mom can get pretty messy. Moms, dads, and kids will delight in this hilarious picture book about what mommies are not ... and some exciting things they can be.

There is something to celebrate every day a mother and child spend together. The double flaps of this book unfold to reveal the way simple activities become special when they are shared. The days pass into seasons, the seasons pass into years, but the bond between "only my mom and me" remains.

Presents two stories featuring Little Critter taking a camping trip with his father and a day trip to the city with his mother. A lawyer with a well-stamped passport and a passion for human rights, Lisa-Jo Baker never wanted to be a mom. And then she had kids. Having lost her own mother to cancer as a teenager, Lisa-Jo felt lost on her journey to womanhood and wholly unprepared to raise children. Surprised by Motherhood is Lisa-Jos story of becoming and being a mom, and in the process, discovering that all the what to expect and how to books in the world can never truly prepare you for the sheer exhilaration, joy, and terrifying love that accompanies motherhood. Set partly in South Africa and partly in the US (with a slight detour to Ukraine along the way), *Surprised by Motherhood* is a poignant memoir of one womans dawning realization that being a mom isnt about being perfectits about being present.

Are you a girl mom that loves spending quality time with your mini me? Like any relationship your bond between you and your child grows deeper when you are able to spend more time exclusively with them. *Me & My* is a Coloring Book which celebrates motherhood by featuring 24 cute images for mom and duplicate images for daughter so mothers and daughters can create beautiful memories together. It also contains crossword puzzles, activities and motivational quotes. Take a break from the smart phones and ipads and have fun communicating as you color the same page at the same time, across from one another. Grab some colored pencils and markers and enjoy a little mommy time with your 'plus one'. This book is for women and young girls of all ages. Buy it for yourself or as a gift as a great way to unwind.

NEW YORK TIMES BESTSELLER • A moving memoir about the legendary author's relationship with her own mother. Emma Watson's *Our Shared Shelf* Book Club Pick! The story of Maya Angelou's extraordinary life has been chronicled in her multiple bestselling autobiographies. But now, at last, the legendary author shares the deepest personal story of her life: her relationship with her mother. For the first time, Angelou reveals the triumphs and struggles of being the daughter of Vivian Baxter, an indomitable spirit whose petite size belied her larger-than-life presence—a presence absent during much of Angelou's early life. When her marriage began to crumble, Vivian famously sent three-year-old Maya and her older brother away from their California home to live with their grandmother in Stamps, Arkansas. The subsequent feelings of abandonment stayed with Angelou for years, but their reunion, a decade later, began a story that has never before been told. In *Mom & Me & Mom*, Angelou dramatizes her years reconciling with the mother she preferred to simply call "Lady," revealing the profound moments that shifted the balance of love and respect between them. Delving into one of her life's most rich, rewarding, and fraught relationships, *Mom & Me & Mom* explores the healing and love that evolved between the two women over the course of their lives, the love that fostered Maya Angelou's rise from immeasurable depths to reach impossible heights. Praise for *Mom & Me & Mom* "Mom & Me & Mom is delivered with Angelou's trademark good humor and fierce optimism. If any resentments linger between these lines, if lives are partially revealed without all the bitter details exposed, well, that is part of Angelou's forgiving design. As an account of reconciliation, this little book is just revealing enough, and pretty irresistible."—*The Washington Post* "Moving . . . a remarkable portrait of two courageous souls."—*People* "[The] latest, and most potent, of her serial autobiographies . . . [a] tough-minded, tenderhearted addition to Angelou's spectacular canon."—*Elle* "Mesmerizing . . . Angelou has a way with words that can still dazzle us, and with her mother as a subject, Angelou has a near-perfect muse and mystery woman."—*Essence*

A survey of 500 men and women across America showed that mothers with grown children long for meaningful family contacts and newlyweds desire to establish separate family identities. By combining God's wisdom and down-to-earth common sense, this book helps to blend these desires.

The joy of being a mom is palpable in this touching tribute to parenthood. Whimsical illustrations capture the poignant moments that make motherhood so special: pinning up a daughter's hair, getting messy during playtime, reading quietly side by side, and, above all, cherishing precious moments together. Bright pops of Pantone coral infuse each spread, and a cloth spine adds an irresistible specialness. At once a treasured Mother's Day gift and a year-round "I love you," this book will delight parents and children in a celebration of a supremely meaningful relationship. This lovely testament to the inimitable mother/daughter bond goes straight to the heart.
