Lose weight, lower cholesterol, and improve your health, one delicious bite at a time in this companion to the runaway New York Times bestseller *The Engine 2 Diet*. *The Engine 2 Diet* has sold hundreds of thousands of copies and inspired a plant-based food revolution. Featuring endorsements from top medical experts and a food line in Whole Foods Market, Engine 2 is the most trusted name in plant-based eating. Now, readers can bring the Engine 2 program into their kitchens with this cookbook companion to the original diet program. Engine 2 started in a firehouse in Texas, and if Texas firefighters love to eat this food, readers nationwide will eat it up, too! *The Engine 2 Cookbook* packs the life-saving promise of the Engine 2 program into more than 130 mouth-watering, crowd-pleasing recipes, including: Mac-N-Cash Two-Handed Sloppy Joes Terrific Teriyaki Tofu Bowl Badass Banana Bread

Locke has horrific secrets; secrets that he is determined to keep from everyone, especially Juliana.

Honest, intimate conversations with some of Australia's best musicians, including Paul Kelly, Gotye, Tina Arena, Phil Jamieson, Steve Kilbey, Mick Harvey and Holly Throsby. Of all the creative industries, the starkest and most distinct link

Download Free Smacked

between drug use and creativity lies within music. The two elements seem to be intertwined, inseparable; that mythical phrase 'sex, drugs and rock and roll' has been bandied about with a wink and a grin for decades. But is it all smoke and mirrors, or does that cliché ring true for some of our best - known artists? In this fascinating new book, journalist Andrew McMillen talks with Australian musicians about their thoughts on - and experiences with - illicit, prescription and legal drugs. Through a series of in - depth and intimate interviews, he tells the stories of musicians who, like Paul Kelly, bit into the forbidden fruit and avoided choking. This isn't to say that stories of ruin and redemption are avoided - they're not. But, by having conversations about a subject that's rarely discussed in public, and much less often dealt with honestly, McMillen explores the truths of a contentious topic that isn't going away. Talking Smack is a timely and thought - provoking must - read, and includes interviews with some of our most successful and creative musicians: Paul Kelly Wally de Backer (Gotye) Steve Kilbey (The Church) Phil Jamieson (Grinspoon) Tina Arena Spencer P. Jones (Beasts of Bourbon) Mick Harvey (ex Nick Cave and the Bad Seeds) Lindy Morrison (The Go - Betweens) Ian Haug (Powderfinger) Bertie Blackman Tim Levinson (Urthboy) Holly Throsby Jon Toogood (Shihad) Jake Stone (Bluejuice) Who says lollipops are for kids?

After a fatal tragedy and recent divorce of her parents, 17 year old Juliana doesn't think life could be any worse. Until she meets Locke Pierce, the quiet but temperamental boy with the strange bruises on his arms and legs. Almost immediately, they are drawn to each other's sadness. But Locke has horrific secrets; secrets that he is determined to keep from everyone, especially Juliana. Smacked is the powerful, uncompromising story of one woman's downward spiral into addiction. Hooked on heroin and crack cocaine, Melinda Ferguson gave up everything she cared about - her children, her marriage, her career - in pursuit of the next fix, the next high. Bold, raw and unashamedly honest, Smacked is a tale of loss and rehabilitation that takes us to the darkest corners of an addict's psyche.

For six years Melinda Ferguson was driven by one motivating force - the next hit. For this, she would abandon her promising film-making career, lose her comfortable suburban home, her husband, her two children and, in a gruelling finale to six years of remorseless self-destruction, very nearly herself. This is her story.

The job of a soul collector is fairly straightforward: travel to Earth, administer a heart attack to release the soul, and take it to its final destination. Oh, and don't fraternize. Right. Falling in love with a human was only the first of Ha's mistakes. There was letting himself be blackmailed

Download Free Smacked

by the demon Avarice. There was taking a soul to a bar in Purgatory. There was losing that same soul. There was ... Well, the list kept getting longer. Ha's time was running out to recollect the soul of boxer Darius "The Gorgeous" George and have him fight the fight of a deathtime. And he needed to do it before the Boss found out about the boxer, the girl, the fraternization, and worst of all, the desire to be human. *God Smacked Back*, the debut novel from Angela Perea, is a devilishly humorous mix of Dante and Christopher Moore. And some Chuck Palahniuk thrown in for good measure.

When Rayne, Samuel, Devan, and Jess leave the dance studio, the last person they expect to see is Myser, a recruiter for World War III. Haunted by her past, Rayne must make a decision that may change her entire life. Even if this decision may be her last. *Smacked Against the Glass Ceiling* is a dark comedic look at four best friends who will protect each other at any cost and shows that sometimes not even love can make the ghosts go away at night.

Rowan Petty is a conman down on his luck. He's flat broke, living out of cheap hotels, and wondering how it all went wrong. His car quits on him in Reno, and he takes a job there on the bottom rung of a lousy phone scam. When he's not swindling lonely widows, he tries to turn nickels into dimes at the poker table. One snowy night, he crosses paths with a sweet-talking hooker who's tired of the streets, and sparks fly. When an old friend of his turns up spreading a rumor about two million dollars in army money smuggled out of Afghanistan and stashed in an apartment in Los Angeles, it seems like a chance at the score of a lifetime. So Petty and the hooker head south, and straight into trouble. A wounded vet, a washed-up actor, and Petty's estranged daughter are all players in the dangerous game they find themselves caught up in. For the winner: a fortune. For the loser: a bullet to the head. Propulsive, suspenseful, and

written with a searing lyricism, *The Smack* shows once again that "Lange is a writer firing on all cylinders who belongs in the top tier of novelists working today" (Omaha World-Herald). Explores the alphabet and animals through their collective nouns, including a covey of quails, a string of ponies, and a murder of crows.

After Rihanna and Alanis Morissette and Amber Smith and Rachel Uchitel, we've all heard about love addiction--people who feel they can only be happy when they are deep in an all-consuming love. There are a handful of books about it (including *Facing Love Addiction* by Pia Melody, *Women Who Love Too Much* by Robin Norwood, *Love Addict* by Ethlie Ann Vare, and others), and many rehab and recovery centers are now advertising that they help clients with love addictions and codependency. But no one has approached the subject of its equally damaging cousin--relationship addiction. Relationship addicts are so in love with love with love and romance and being coupled up that they continually move from one relationship to another, always on the rebound, never giving themselves time to heal and learn how to be independent. They get into relationships again and again, just to avoid feeling lonely--or worse, to avoid feeling "abnormal." *Love Smacked* will address all of these issues, looking at early childhood trauma and how that affects our subsequent choices in partners, and how we approach love and relationships. It will discuss the lessons we learn from our upbringing and social and cultural background--lessons that sometimes teach us what healthy relationships look like, but sometimes teach us something else: that we don't deserve any better; that a typical relationship looks turbulent and difficult. "This is an important book. Sherry Gaba clearly identifies a common pattern in relationships and shows the negative results on relationships of self-abandonment. --Margaret Paul, PhD, Co-Creator of Inner Bonding"

Theo Mackey only remembers one thing for certain about the fire that killed his mother: he lit the match. A school family history project causes new memories to surface that make Theo question what he really knows about his family, the night of the fire, and if he can trust anyone—including himself.

How far would you go to find something that might not even exist? All her life, Cricket's mama has told her stories about a secret room painted by a mysterious artist. Now Mama's run off, and Cricket thinks the room might be the answer to getting her to come back. If it exists. And if she can find it. Cricket's first clue is a coin from a grown-over ghost town in the woods. So with her daddy's old guidebook and a coat full of snacks stolen from the Cash 'n' Carry, Cricket runs away to find the room. Surviving in the woods isn't easy. While Cricket camps out in an old tree house and looks for clues, she meets the last resident of the ghost town, encounters a poetry-loving dog (who just might hold a key to part of the puzzle), and discovers that sometimes you have to get a little lost . . . to really find your way.

M. E. Kerr's first novel—hailed by the New York Times as a “timely, compelling,” and “brilliantly funny” look at adolescence and friendship It was bad enough that they had to move to Brooklyn—Brooklyn Heights, as Tucker Woolf's dad instructs him to tell everyone after he loses his job. Now his father has suddenly developed an allergy to Tucker's cat, Nader, a nine-month-old calico Tucker found underneath a Chevrolet. Tucker's beloved pet finds a new home with overweight, outrageous Susan “Dinky” Hocker, the only person to answer Tucker's ad. As Tucker starts paying regular visits to Dinky's house to check up on Nader, his life begins to change. Dinky introduces Tucker to her strange cousin, Natalia Line, a compulsive rhymer whom Tucker finds fascinating. And enter P. John Knight, who's fat like Dinky . . . and

Download Free Smacked

now, like Nader. With this odd cast of characters, a little world is created for big kids who need to go on diets. And who also, all of them, need to find out who they are. A story of friendship, self-image, and surviving adolescence, *Dinky Hocker Shoots Smack!* is also about the terror—and exhilaration—of daring to be yourself. This ebook features an illustrated personal history of M. E. Kerr including rare images from the author's collection.

In the vein of Mary Karr's *Lit*, Augusten Burroughs' *Dry* and Sarah Hepola's *Blackout*, *As Needed for Pain* is a raw and riveting—and often wryly funny—addiction memoir from one of New York media's most accomplished editors which explores his never-before-told story of opioid addiction and the drastic impact it had on his life and career. Dan Peres wasn't born to be a media insider. As an awkward, magic-obsessed adolescent, nothing was further from his reality than the catwalks of Paris or the hallways of glossy magazine publishers. A gifted writer and shrewd cultural observer, Peres eventually took the leap—even when it meant he had to fake a sense of belonging in a new world of famed fashion designers, celebrities, and some of media's biggest names. But he had a secret: opiates. Peres's career as an editor at *W* magazine and *Details* is well known, but little is known about his private life as a high-functioning drug addict. In *As Needed for Pain*, Peres lays bare for the first time the extent of his drug use—at one point a 60-pill-a-day habit. By turns humorous and gripping, Peres's story is a cautionary coming-of-age tale filled with unforgettable characters and breathtaking brushes with disaster. But the heart of the book is his journey from outsider to insecure insider, what it took to get him there, and how he found his way back from a killing addiction. *As Needed for Pain* offers a rare glimpse into New York media's past—a time when print magazines mattered—and a rarefied world of wealth, power, and influence. It is also a brilliant, shocking

dissection of a life teetering on the edge of destruction, and what it took to pull back from the brink.

The Bexhill School series follows a collection of 18+ year old young women who are spoiled and otherwise misbehaving - who have been turned away or kicked out of other institutions. In this first introductory book of the nine book series, we meet the fictional characters and challenges taking place at The Bexhill School. Debbie, Catherine, Sally, Linda and Anna all have their stories about how they came to be at Bexhill. Then there's Headmaster Masterson who has to cope with their behavior, and Miss Holloway, the attractive school secretary, who finds herself

A novel about family, adventure, and the art of the con from acclaimed crime writer Richard Lange. Rowan Petty is a conman down on his luck. Tinafey is a hooker who's tired of the streets. Their paths cross one snowy night in Reno, and they hit it off. An old friend of Petty's turns up with a rumour about a crew of American soldiers who smuggled two million dollars out of Afghanistan and stashed the money in an apartment in Los Angeles. He thinks Petty's just the guy to steal the cash. Petty thinks he hasn't got much to lose. He decides to drive down to L.A. to investigate. Tinafey decides to go with him. These might be the last decisions they will ever make.

Wry political fairy tales from a nineteenth-century politician that speak to our current times Édouard Laboulaye (1811–1883), one of nineteenth-century France's most prominent politicians and an instrumental figure in establishing the Statue of Liberty, was also a prolific

Download Free Smacked

writer of fairy tales. *Smack-Bam, or The Art of Governing Men* brings together sixteen of Laboulaye's most artful stories in new translations. Filled with biting social commentary and strong notions of social justice, these rediscovered tales continue to impart lessons today. Inspired by folktales from such places as Estonia, Germany, Iceland, and Italy, Laboulaye's deceptively entertaining stories explore the relationships between society and the ruling class. In "Briam the Fool," the hero refuses the queen's hand after he kills the king. In "Zerbino the Bumpkin," the king and prime minister are idiots, while the king's daughter runs away with a woodcutter to an enchanted island. And in the title story, "Smack-Bam, or The Art of Governing Men," a superficial prince is schooled by a middle-class woman who smacks him when he won't engage in his lessons and follows him across Europe until he falls in love with her. In these worlds, shallow aristocrats come to value liberty, women are as assertive and intelligent as men, and protagonists experience compassion as they learn of human suffering. With an introduction by leading fairy-tale scholar Jack Zipes that places Laboulaye's writing in historical context, *Smack-Bam, or The Art of Governing Men* presents spirited tales from the past that speak to contemporary life.

Why do the vast majority of heroin users live in cities? In his provocative history of heroin in the United States, Eric C. Schneider explains what is distinctively urban about this undisputed king of underworld drugs. During the twentieth century, New York City was the nation's heroin capital—over half of all known addicts lived there, and underworld bosses like Vito Genovese, Nicky Barnes, and Frank Lucas used their international networks to import and distribute the drug to cities throughout the country, generating vast sums of capital in return. Schneider uncovers how New York, as the principal distribution hub, organized the global trade in heroin

Download Free Smacked

and sustained the subcultures that supported its use. Through interviews with former junkies and clinic workers and in-depth archival research, Schneider also chronicles the dramatically shifting demographic profile of heroin users. Originally popular among working-class whites in the 1920s, heroin became associated with jazz musicians and Beat writers in the 1940s. Musician Red Rodney called heroin the trademark of the bebop generation. "It was the thing that gave us membership in a unique club," he proclaimed. *Smack* takes readers through the typical haunts of heroin users—52nd Street jazz clubs, Times Square cafeterias, Chicago's South Side street corners—to explain how young people were initiated into the drug culture. *Smack* recounts the explosion of heroin use among middle-class young people in the 1960s and 1970s. It became the drug of choice among a wide swath of youth, from hippies in Haight-Ashbury and soldiers in Vietnam to punks on the Lower East Side. Panics over the drug led to the passage of increasingly severe legislation that entrapped heroin users in the criminal justice system without addressing the issues that led to its use in the first place. The book ends with a meditation on the evolution of the war on drugs and addresses why efforts to solve the drug problem must go beyond eliminating supply.

Of all the things a parent worries about when their child is approaching the teen years, ruining their life and their friendships because of substance abuse is at the top. This fear is very real and many parents don't have a clue where to start. *Talking Smack* is full of practical tips and stories that will provide great encouragement to parents and show them why earlier rather than later is the time for them to take an active role on this vital issue.

adults smacked children.

Pam's problems are mounting. In addition to a growing addiction to narcotics, she has to balance her relationship between her pusher boyfriend and her wealthy husband. Conflict looms as the two prepare to fight each other for her, and Pam may have to take drastic measures. Luckily, there may be a silver lining to this dark cloud. Find out what happens in this quirky comedic play from T. G. Engle.

A journalist pieces together the mysteries surrounding her ex-husband's descent into drug addiction while trying to rebuild a life for her family, taking readers on an intimate journey into the world of white-collar drug abuse. "A rare combination of journalistic rigor, personal courage, and writerly grace."—Bill Clegg, author of *Portrait of an Addict as a Young Man* Something was wrong with Peter. Eilene Zimmerman noticed that her ex-husband looked thin, seemed distracted, and was frequently absent from activities with their children. She thought he looked sick and needed to see a doctor, and indeed, he told her he had been diagnosed with an autoimmune disorder. Yet in many ways, Peter seemed to have it all: a beautiful house by the beach, expensive cars, and other luxuries that came with an affluent life. Eilene assumed his odd behavior was due to stress and overwork—he was a senior partner at a prominent law firm and had been working more than sixty hours a week for the last twenty years. Although they were divorced, Eilene and Peter had been partners and friends for decades, so when she and her children were unable to reach Peter for several days, Eilene went to his house

Download Free Smacked

to see if he was OK. So begins *Smacked*, a brilliant and moving memoir of Eilene's shocking discovery, one that sets her on a journey to find out how a man she knew for nearly thirty years became a drug addict, hiding it so well that neither she nor anyone else in his life suspected what was happening. Eilene discovers that Peter led a secret life, one that started with pills and ended with opioids, cocaine, and methamphetamine. He was also addicted to work; the last call Peter ever made was to dial in to a conference call. Eilene is determined to learn all she can about Peter's hidden life, and also about drug addiction among ambitious, high-achieving professionals like him. Through extensive research and interviews, she presents a picture of drug dependence today in that moneyed, upwardly mobile world. She also embarks on a journey to re-create her life in the wake of loss, both of the person—and the relationship—that profoundly defined the woman she had become.
