

Tony Franklin

The Essential Smart Football is an examination of football's most important strategies and ideas, through the lens of the game's best coaches, players, and schemes. Brilliantly written and eschewing unnecessary jargon and technicality, it makes a major contribution to our understanding of football to help all of us -- coaches, players, and fans -- appreciate the game we love all the more. The Essential Smart Football features analysis of football's top strategists and their schemes, including: Urban Meyer's spread offense Tom Brady's no-huddle attack Bill Belichick's hybrid defense Gus Malzahn's up-tempo offense Charlie Strong's defensive evolution Mike Leach's pass-happy "Air Raid" The most popular scheme for running the ball in the NFL Nick Saban's school of defense. The book also includes explorations of modern approaches to the West Coast Offense, evolutions in defensive fronts and coverages, the changing role of the running game in spread and pro-style offenses, and much more. "Buy this book if you love football." -- Gregg Rosenthal, Senior Editor, NFL.com "[Chris Brown] has put together a book that you need to buy if you're a football fan with a pulse." -- Bill Barnwell, Staff Writer, Grantland "I'm a better coach after reading this book. A must have in every coach's library!" -- Dub Maddox, Offensive Coordinator, Jenks High School, Jenks, Oklahoma (12x Oklahoma State champions) "Accessibly erudite". -- New York Magazine "If you're a football geek, this is a mandatory purchase." -- Doug Farrar, Yahoo! Sports "Advanced stats are great, but they mean a lot more when you understand where the players are moving on the field and why. Nobody has taught me more about where the players are moving on the field and why than Chris Brown." -- Aaron Schatz, founder of FootballOutsiders.com, columnist for ESPN.com/ESPN the Magazine "Must-have new book for any football fan." -- Dan Shanoff, Quickish.com

When Franklin is hurt in a soccer game, his doctor sends him to the hospital to have the crack in his shell repaired.

NEW YORK TIMES BESTSELLER • A complete meat and brisket-cooking education from the country's most celebrated pitmaster and owner of the wildly popular Austin restaurant Franklin Barbecue. When Aaron Franklin and his wife, Stacy, opened up a small barbecue trailer on the side of an Austin, Texas, interstate in 2009, they had no idea what they'd gotten themselves into. Today, Franklin Barbecue has grown into the most popular, critically lauded, and obsessed-over barbecue joint in the country (if not the world)—and Franklin is the winner of every major barbecue award there is. In this much-anticipated debut, Franklin and coauthor Jordan Mackay unlock the secrets behind truly great barbecue, and share years' worth of hard-won knowledge. Franklin Barbecue is a definitive resource for the backyard pitmaster, with chapters dedicated to building or customizing your own smoker; finding and curing the right wood; creating and tending perfect fires; sourcing top-quality meat; and of course, cooking mind-blowing, ridiculously delicious barbecue, better than you ever thought possible.

When they journey to Alaska to help a friend who feels his life is in danger, the Hardy brothers find their own lives threatened.

There is only one QUEEN OF SOUL! Discover why Aretha Franklin garners so much R-E-S-P-E-C-T. Aretha Franklin was a musical and cultural icon whose legacy spanned six decades! Born in Memphis, Tennessee, in 1942, Aretha got her start singing in front of her father's Baptist congregation and found minor success as a gospel singer. She then set her sights on becoming a pop music artist and used her powerful voice and impressive skills on the piano to get a record deal. Aretha released her first of many celebrated albums at the age of 18. In 1987, she was inducted into the Rock and Roll Hall of Fame, making her the first female artist to grace the prestigious list. With iconic hits such as "Respect" and "Think," and countless awards to her name including eighteen Grammys, Aretha Franklin was one of the bestselling artists of all time.

The four-time Olympic Gold medalist and her parents trace the inspirational story of how she became both a legendary athlete and a happy and confident woman, achievements that were accomplished by doing things their own way and making the right choices for their family.--Publisher's description.

The first comprehensive history of the Philadelphia Eagles.

Joe and Frank Hardy win a contest to be handlers for a Green Crawler balloon in the annual fall festival, but when the balloon is sabotaged the day before the parade, the brothers must investigate.

In this southwestern version of the Bremen Town Musicians, Buster Mesquite and his noisy new cowboy band have a run-in with some bandits.

Winner of the 2020 Miles Franklin Literary Award! "A beautifully written novel that puts language at the heart of remembering the past and understanding the present."—Kate Morton "A groundbreaking novel for black and white Australia."—Richard Flanagan, Man Booker Prize winning author of The Narrow Road to the Deep North A young Australian woman searches for her grandfather's dictionary, the key to halting a mining company from destroying her family's home and ancestral land in this exquisitely written, heartbreaking, yet hopeful novel of culture, language, tradition, suffering, and empowerment in the tradition of Louise Erdrich, Sandra Cisneros, and Amy Harmon. Knowing that he will soon die, Albert "Poppy" Gondiwindi has one final task he must fulfill. A member of the indigenous Wiradjuri tribe, he has spent his adult life in Prosperous House and the town of Massacre Plains, a small enclave on the banks of the Murrumbidgee River. Before he takes his last breath, Poppy is determined to pass on the language of his people, the traditions of his ancestors, and everything that was ever remembered by those who came before him. The land itself aids him; he finds the words on the wind. After his passing, Poppy's granddaughter, August, returns home from Europe, where she has lived the past ten years, to attend his burial. Her overwhelming grief is compounded by the pain, anger, and sadness of memory—of growing up in poverty before her mother's incarceration, of the racism she and her people endured, of the mysterious disappearance of her sister when they were children; an event that has haunted her and changed her life. Her homecoming is bittersweet as she confronts the love of her kin and news that Prosperous is to be repossessed by a mining company. Determined to make amends and honor Poppy and her family, she vows to save their land—a quest guided by the voice of her grandfather that leads into the past, the stories of her people, the secrets of the river. Told in three masterfully woven narratives, The Yield is a celebration of language and an exploration of what makes a place "home." A story of a people and a culture dispossessed, it is also a joyful reminder of what once was and what endures—a powerful reclaiming of Indigenous language, storytelling, and identity, that offers hope for the future.

With a ballet career spanning well over eight decades, legendary dancer Frederic Franklin was one of the twentieth century's great ballet stars. This biography, rich with original interviews,

covers his entire career from young dance student in the early 1920s to his most recent position as choreographer with Britain's Royal Ballet in November 2004. Each chapter covers a different period of Franklin's life, including the peak of his performing career as a principal dancer with the Ballet Russe de Monte Carlo, his legendary professional partnership with Alexandra Danilova, and his role in introducing ballet to millions of Americans during World War II.

" NFL placekicking has quite a history, from the dropkick, to the placekick, to kicking barefoot, to soccer style kicking. Each style of kicking is analyzed through statistics to show its effectiveness for field goals and extra points. Also discussed is the use of artificial turf and the development of domed stadiums and their effects on placekicking accuracy"--

The first full-color, comprehensive history, tracing the entire development of one of the 20th century's most important musical instruments. Based on firsthand interviews with primary inventors and makers of past and present bass guitars, this new book examines the birth of the instrument, its popularization during the 1960s and 1970s, and modern variations of the instrument.

This paperback edition of M.I.A. or Mythmaking in America adds major new material about Ross Perot's role, the 1991-1992 Senate investigation, and illegal operations authorized by Ronald Reagan. "An important and compelling book. . . . Franklin raises and answers all of the hardest questions about an enduring piece of political mythology."--The Philadelphia Inquirer "A calm and thoughtful book on a firestorm of a subject. . . . Intelligent, provocative, and courageous."--Kirkus Reviews

From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

The Pox and the Covenant is a story of well-known figures such as Cotton Mather, James Franklin, and a young Benjamin Franklin struggling to fight for their cause amongst the death and debate?although not always for the side one would expect.

An illustrated history of the football team celebrates star players, significant moments, and key victories from the team's fifty-plus years in the NFL, in an edition updated to include recent seasons.

Next to family and country, there is little else more important to the typical resident of the Delaware Valley than their Philadelphia Eagles. These rabid fans will brave an Arctic freeze, a tumultuous downpour, or a sweltering August night to watch their Eagles fly. The players have never been mere numbers to the faithful, but more like members of their extended families.

Eagles: Where Have You Gone? takes an informative stroll down memory lane and includes many of the players who have made being an Eagles fan so much fun in Philadelphia. From Norm Van Brocklin to Jeff Kemp, Wilbert Montgomery to Cyril Pinder, Jim Skaggs to Guy Morris, Don Hultz to Tim Rossovich, the book looks not only at the playing careers of many former Birds, but also their lives after their playing days ended. Many former players have stayed in the game at some level and enjoyed coaching. Many fans, however, do not know which former Eagles player later became an NFL official, which former defensive standout became a salmon fisherman, which wide receiver became a respected judge, or which player now operates hospital-based centers treating sleep apnea. Trivia buffs will also be challenged to name the former Eagle who owns the NFL record for opponents' fumble recoveries in one season with nine. Local icons such as Chuck Bednarik, Tom Brookshier, and Ron Jaworski have remained in the spotlight years after their playing days ended. But Eagles: Where Have You Gone? Tells fans about what happened to players like Pete Liske, Leroy Keyes, and Super Bill Bradley, all Philly favorites. It also answers questions about whether or not Tony Franklin found his other shoe or if Happy Feller is a happy fellow these days. The book goes beyond the helmet and shoulder pads and takes a look at the human side of these former guardians of the gridiron. While the litany of Philadelphia Eagles teams may not have been as successful as some would have liked over the years, many of the players have earned Medals of Honor in the hearts of their fans. Eagles, Where Have You Gone? takes a present-day look at these Philadelphia Eagles of yesteryear, helping fans who are wondering where the time has gone.

Read about the fascinating life of Benjamin Franklin in this beautifully illustrated version of his autobiography.

Detective brothers Frank and Joe investigate a crime of smashin' in the tenth book in the interactive Hardy Boys Clue Book series. Frank, Joe, and their best friend Chet are attending Bayport Zoo's annual Halloween carnival. Frank and Joe have a routine planned for Scaryoke, and Chet has entered the pumpkin pie-eating contest—he even brought his own whipped cream! After their performance, Frank and Joe go to check out the painted pumpkins on display. But when the brothers enter the tent, they see their Scaryoke song wasn't the only smash hit at the carnival. The floor is littered with bits of pulverized pumpkins! What's worse, the organizer says that unless the culprits are caught by the end of the day, this will be the last Boo at the Zoo...forever! Can Frank and Joe find out what happened before it's too late? Or is this pumpkin crime unpatchable?

Reflections on the life of Aretha Franklin captured in exclusive photographs by her friend, photojournalist Linda Solomon.

First published in 1944, The Economic Future of the Caribbean is an important piece of black history. This is the published notes and findings from the 1943 conference of the same name, which was created to help ensure sound economic development in the Caribbean.

Released in conjunction with the franchise's 50th anniversary, this fully illustrated history of the New England Patriots celebrates the team from its origins in 1960 through its dynastic success in the new millennium. The book highlights the great players, coaches, teams, and moments that have made the Patriots one of the most successful franchises in NFL history. With chapters organized by era and articles profiling the top players and characters, New England Patriots: The Complete Illustrated History explores every aspect of Patriots history and traditions. Includes stats and some 200 photos.

A searing new novel from leading Indigenous storyteller Tony Birch that explores the lengths we will go to in order to save the people we love. Odette Brown has lived her whole life on the fringes of a small country town. After her daughter disappeared and left her with her granddaughter Sissy to raise on her own, Odette has managed to stay under the radar of the welfare authorities who are removing fair-skinned Aboriginal children from their families. When a new policeman arrives in town, determined to enforce the law, Odette must risk everything to save Sissy and protect everything she loves. In The White

Girl, Miles-Franklin-shortlisted author Tony Birch shines a spotlight on the 1960s and the devastating government policy of taking Indigenous children from their families.

In reading this book, you will get a glimpse of my day-to-day life. The tirades (or stories) are based on true life events that have either pissed me off or made me think. No doubt, this book will make some of you uncomfortable and somewhat offended. Half of you won't make it through the first tirade. I don't care. But if you can keep reading, your uncomfot may release you and be a blessing from a maniac. I feel so many things go unquestioned or unanswered in the world. We live lives not of quiet despair , but of quiet slavery. We submit to a 9 to 5 , we submit to marriage and divorce, we submit to 2.5 children, we submit to our friends' dumb ass suggestions, we submit we submit . We witness things that piss us off and we do nothing. Yet, we will wait for someone to take up the mantle and speak out. Well, I could no longer wait for someone else to do what I should have done long ago. When I wrote the first tirade, I was pissed off. And while I was writing it, I had no intention of writing another (at least initially). But, the release was incredible - therapeutic. And the funny fucking thing was I really had something to say all be it in my own unique way. People wrote me to let me know I had tapped into something or touch a nerve. My friends wanted me dead..my family wanted me deader. But, everyone wanted more and I had more to say. So as you read this book, whether you are sitting on the toilet, in prison cell or in your cubicle at work, it really is my gift to you. Please let me know what you think. Hell, you may become the next subject of a tirade

When America's first astronauts launched into outer space, Tony Jenzano helped them learn to navigate by the stars. As the leader of a big planetarium in a small town, Tony was the man who made the stars shine. Without Tony, NASA's first space travelers would have been lost in space.

Discourse anaphora is a challenging linguistic phenomenon that has given rise to research in fields as diverse as linguistics, computational linguistics and cognitive science. Because of the diversity of approaches these fields bring to the anaphora problem, the editors of this volume argue that there needs to be a synthesis, or at least a principled attempt to draw the differing strands of anaphora research together. The selected papers in this volume all contribute to the aim of synthesis and were selected to represent the growing importance of corpus-based and computational approaches to anaphora description, and to developing natural language systems for resolving anaphora in natural language.

“A celebration of African American cuisine right now, in all of its abundance and variety.”—Tejal Rao, The New York Times JAMES BEARD AWARD WINNER • IACP AWARD WINNER • IACP BOOK OF THE YEAR • TONI TIPTON-MARTIN NAMED THE 2021 JULIA CHILD AWARD RECIPIENT NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY The New York Times Book Review • The New Yorker • NPR • Chicago Tribune • The Atlantic • BuzzFeed • Food52 Throughout her career, Toni Tipton-Martin has shed new light on the history, breadth, and depth of African American cuisine. She’s introduced us to black cooks, some long forgotten, who established much of what’s considered to be our national cuisine. After all, if Thomas Jefferson introduced French haute cuisine to this country, who do you think actually cooked it? In Jubilee, Tipton-Martin brings these masters into our kitchens. Through recipes and stories, we cook along with these pioneering figures, from enslaved chefs to middle- and upper-class writers and entrepreneurs. With more than 100 recipes, from classics such as Sweet Potato Biscuits, Seafood Gumbo, Buttermilk Fried Chicken, and Pecan Pie with Bourbon to lesser-known but even more decadent dishes like Bourbon & Apple Hot Toddlies, Spoon Bread, and Baked Ham Glazed with Champagne, Jubilee presents techniques, ingredients, and dishes that show the roots of African American cooking—deeply beautiful, culturally diverse, fit for celebration. Praise for Jubilee “There are precious few feelings as nice as one that comes from falling in love with a cookbook. . . . New techniques, new flavors, new narratives—everything so thrilling you want to make the recipes over and over again . . . this has been my experience with Toni Tipton-Martin’s Jubilee.”—Sam Sifton, The New York Times “Despite their deep roots, the recipes—even the oldest ones—feel fresh and modern, a testament to the essentiality of African-American gastronomy to all of American cuisine.”—The New Yorker “Jubilee is part-essential history lesson, part-brilliantly researched culinary artifact, and wholly functional, not to mention deeply delicious.”—Kitchn “Tipton-Martin has given us the gift of a clear view of the generosity of the black hands that have flavored and shaped American cuisine for over two centuries.”—Taste

STRAIGHT FROM HOLLYWOOD comes a dynamic business model for building a thriving career without compromising your faith. DeVon Franklin, vice president of production for Columbia Pictures, shares how being bold about his Christian faith while being driven and ambitious has actually helped him to excel in a high-profile, fast-paced, competitive industry. You are the movie. Produced by Faith parallels each step of the Hollywood filmmaking process with the faith-making process God uses to turn your career into a success. You will discover that it is possible to be both wildly successful and completely committed to God—and that you will be even more successful when you place your faith at the center of your career. You can unleash the power of your faith as your greatest professional advantage and use the compass of God’s Word to guide you to your true passion and purpose in life. In this informative, inspiring book, DeVon reveals the secrets to maintaining your faith while advancing in your career. Here he shows you: • How to discover The Big Idea for your life • How to take your career to the next level • How to recognize the signs God sends you that indicate when it’s time to move in a new direction • How to stand firm on your Christian principles without compromise • How to work with people who don’t understand your beliefs • How to choose a profession, industry, or company that is in tune with your purpose DeVon says, “I know from my own experiences that if you will put your career in God’s hands and trust him, you can’t account for all the ways he will bless you. When you step out in faith, he will open doors and bring you opportunities that will surpass even your wildest expectations. . . . If I have learned anything, it’s this: to get where you want to go, you first have to become the person God wants you to be.”

Discover the music that influenced some of the biggest stars in Music history in 10 Albums That Changed My Life, a personal, insightful and gloriously illustrated look at the music that matters the most to the artists who matter the most to you. More than a hundred musicians invite you backstage, each revealing in their own words the 10 albums that influenced their lives, their music and their futures. Artists from Punk to Classic Rock, British Invasion to Pop, and Heavy Metal to Modern Rock take the stage in this sonic coming-of-age adventure. With more than 1,000 albums illustrated and profiled, 10 Albums That Changed My Life shares wonderfully intimate perspectives and surprising selections. Consider Henry Rollins, the legendary front man for punk's Black Flag. Slipped into his list of heavy rockers, you'll find The Original Broadway Cast Recording of Hair. "I had this record in 4th or 5th grade. It was my mother's. I knew it was subversive and I probably shouldn't be listening to it and that's what made it irresistible to me. Besides, there is some great songwriting and performances on this album," Rollins says. From the Beatles' Sgt. Peppers Lonely Hearts Club Band to Pink Floyd's Wish You Were Here, Rolling Stone's Exile on Main Street to The Beach Boys Pet Sounds, Flatt & Scruggs The Original Sound to Jimi Hendrix Are You Experienced, the book is packed with classics and cool revelations. Featuring a Foreword by Rock And Roll Hall of Fame artist Nancy Wilson of Heart, 10 Albums That Changed My Life is a fun and fabulous page-turner, tuning into the music that made a difference. And still does.

Written by an Aggie graduate, this is a full color history of Aggieland's pride, spirit, and great football program with over 100 photos of the campus, its students and faculty, plus the Kyle Field and its football legends, then and now. Photos.

Anthony Dominick Benedetto, born on August 3rd, 1926, Astoria, Queens, New York City, U.S, known professionally as Tony Bennett, is a singer of traditional pop standards, big band, show tunes, and jazz. Tony is also a painter, under his birth name Anthony Benedetto, his works being on permanent public display in several institutions, and founded the Frank Sinatra School of the Arts, in Astoria, Queens, New York.

The Fallen Angels Book Club has only two requirements: the members must love books and have a white-collar criminal record. Hollis Morgan fits the bill. Left holding the bag in an insurance fraud scheme concocted by her now ex-husband, she served her time and is trying to rebuild her life. All she wants is for the court to pardon her conviction so she can return to law school. After one of her fellow members is murdered in a scenario straight out of a club selection, Hollis is once again the subject of police scrutiny. Refusing to get stuck with another bad rap, she sets out to investigate her fellow club members. Is one of them really blackmailing the others? As a second member dies in yet another book-inspired murder, Hollis realizes that time is running out. Everything rides on her finding the killer--not just her career aspirations. She must identify the killer before she herself becomes the next victim. Everyone is convinced she knows more than she lets on. But what is it, exactly, that is she supposed to know? The Fallen Angels Book Club is the first book in an exciting new mystery series featuring amateur sleuth Hollis Morgan.

An intimate, revealing portrait of Frank Sinatra—from the man closest to the famous singer during the last decade of his life. More than a hundred books have been written about legendary crooner and actor Frank Sinatra. Every detail of his life seems to captivate: his career, his romantic relationships, his personality, his businesses, his style. But a hard-to-pin-down quality has always clung to him—a certain elusiveness that emerges again and again in retrospective depictions. Until now. From Sinatra's closest confidant and an eventual member of his management team, Tony Oppedisano, comes an extraordinarily intimate look at the singing idol. Deep into the night, for more than two thousand nights, Frank and Tony would converse—about music, family, friends, great loves, achievements and successes, failures and disappointments, the lives they'd led, the lives they wished they'd led. In these full-disclosure conversations, Sinatra spoke of his close yet complex relationship with his father, his conflicts with record companies, his carousing in Vegas, his love affairs with some of the most beautiful women of his era, his triumphs on some of the world's biggest stages, his complicated relationships with his talented children, and, most important, his dedication to his craft. Toward the end, no one was closer to the singer than Oppedisano, who kept his own rooms at the Sinatra residences for many years, often brokered difficult conversations between family members, and held the superstar entertainer's hand when he drew his last breath. Featuring never-before-seen photos and offering startlingly fresh anecdotes and new revelations that center on some of the most famous people of the past fifty years—including Jackie Kennedy, Marilyn Monroe, Sam Giancana, Madonna, and Bono—Sinatra and Me pulls back the curtain to reveal a man whom history has, in many ways, gotten wrong.

Technology moves fast - so where will it have taken us by 2050? How will it affect the way we live? And how far are we willing to let it go? In Megatech, distinguished scientists, industry leaders, star academics and acclaimed science-fiction writers join journalists from The Economist to explore answers to these questions and more. Twenty experts in the field, including Nobel prize-winner Frank Wilczek, Silicon Valley venture-capitalist Ann Winblad, philanthropist Melinda Gates and science-fiction author Alastair Reynolds identify the big ideas, fantastic inventions and potentially sinister trends that will shape our future. Join them to explore a brave new world of brain-computer interfaces, vat-grown cruelty-free meat, knitted cars and guided bullets. The writers predict the vast changes that technology will bring to everything from food production to health care, energy output, manufacturing and the military balance. They also consider the impact on jobs, and how we can prepare for the opportunities, as well as the dangers, that await. Thought-provoking, engaging and full of insight from the forefront of tech innovation, Megatech is essential reading for anyone who wants to understand tomorrow's world.

What if one loose thread could unravel your life? Three years ago, Quinn Alexander put the pain of Pierce Jordan's betrayal behind her. Now her brother needs a favor that forces her to confront the man she once loved. For her brother, who has guarded her devastating secret since childhood, Quinn will do anything--even risk falling for Pierce again. Pierce is the first to admit he broke Quinn's heart out of fear he'd never measure up to her ideal. Even so, he owes the success of their ongoing business relationship to Quinn's savvy mind and generous spirit. Now, just as he realizes how much he wants her, he risks losing her forever by challenging her brother's character. When Quinn and Pierce uncover embezzlement, drug deals, and even murder, Quinn fears for her brother, even as her attraction to Pierce grows. Which is stronger--a love renewed or loyalty unchallenged?
